

G7+ Experts are certified by PRINTING United Alliance, as capable print, color, and graphic communication experts who are able to implement, manage, and drive G7+ based production, workflows, and are licensed to submit G7+ Master Qualification for leading print service providers.

How do I become a G7+ Expert?

G7+ Experts are certified by attending G7+ Training, conducted by PRINTING United Alliance, and completing the required certification exam. Certification is good for two years and can be renewed by completing online recertification to maintain status as a G7+ Expert.

How can I enroll to earn a G7+ Expert certification?

There will be five options for earning/upgrading a G7+ Certification.

- G7+ Expert Course and Certification (in-person training)
- G7+ Expert Course and Certification (live virtual training)
- G7+ Expert Course and Certification (on-demand eLearning course)
- G7+ Expert Course and Certification Upgrade from G7 (live virtual training)
- G7+ Expert Course and Certification Upgrade from G7 (on-demand eLearning course)
- Registration will be available at www.printing.org/g7plus

What has changed in the new G7+ Expert certification process?

Earning your G7 Expert certification required live or live virtual training. G7+ Expert certification has added the option for earning certification via an on-demand eLearning course only found at www.ilearningplus.org.

When can I earn my G7+ Expert certification?

For public G7+ Expert certifications, the first opportunity for currently certified G7 Experts to upgrade to G7+ Expert Certification will be at the COLOR Conference, March 12-14, at the Renaissance Dallas Hotel in Dallas, TX. Don Hutcheson, G7+ Trainer, will lead this live, hands-on upgrade training at the conference.

Do I need G7 Expert certification to earn a G7+ Expert certification?

There are no required prerequisites for G7+ Expert Certification. You can enroll in a G7+ Expert course at www.printing.org/g7plus to earn your G7+ Expert certification.

I've recently earned my G7 Expert certification. Am I eligible to earn my G7+ Expert certification?

If you've earned G7 Expert certification between August 1, 2023 and March 13, 2024, you will automatically receive a free upgrade to earn your G7+ Expert Certification. How it works:

- Earn your G7 Expert Certification between August 1, 2023 and March 13, 2024.
- On May 15, 2024, you will receive an email to access the G7+ Expert Course and Certification Upgrade (on-demand eLearning course).
- You will have sixty days to complete the upgrade course.
- Upon completion, your G7+ Expert certification will be valid for two years.

How will my previously earned G7 Expert certification be affected?

If you have G7 Expert certification, your certification remains valid until its expiration date (two years from the date it was earned). Until December 31, 2024, G7 Experts have the option to renew their existing certification as G7 Expert for an additional two-year cycle. Or, G7 Experts can take advantage of the opportunity to upgrade their renewal status to the new G7+ Expert certification.

Will course and study materials and resources be updated for G7+?

All course training materials will be updated to support G7+. These materials will be provided during G7+ Expert Training, G7+ Expert Upgrade training, and also as part of the robust G7+ Expert library available to active G7+ Experts.

How will the final certification exam content, format, and pass/fail change with G7+?

The final exam format will not change. The exam will contain 30 questions; you must pass with a 90% or better to earn your G7+ Expert certification.

Where can I find more resources to become a G7+ Expert printer?

Additional information about G7+ and G7+ certification can be found at www.printing.org/g7plus. Registration for G7+ Expert certification can be found at www.printing.org/g7plus.
